Hispanic or Latino	\$35,167	± \$3,593

* In 2010 inflation-adjusted dollars.

† Householder: "One person in each household is designated as the householder. In most cases, this is the person, or one of the people, in whose name the home is owned, being bought, or rented and who is listed on line one of the [American Community] survey questionnaire. If there is no such person in the household, any adult household member 15 years old and over could be designated as the householder." (Source: http://www.census.gov/acs/www/Downloads/data_documentation/SubjectDefinitions/2010_ACSSubjectDefinitions.pdf)

Median incomes are weighted to be more representative of Maine households.
